*At The Grille, we have created this map of New Zealand to help with your understanding of where our wine regions are located.*

*Central Otago is of course well known for its world class Pinot Noir, which makes up around 80% of the plantings. We have hot, dry summers and crisp, snowy winters with defined seasons throughout the year. Perfect for growing grapes that prefer a shorter growing season, varieties suited to the cool “continental” climate here are Riesling, Pinot Gris, light-bodied Chardonnay, crisp Sauvignon Blanc and elegant sparkling wine.*

*Further up the country we have Marlborough producing its distinct style of Sauvignon Blanc and Pinot Noir.*

~

*Located at the bottom of the North Island, Martinborough offers an altogether more savoury and mineral style Pinot Noir and Chardonnay.*

~

*Hawke’s Bay with its long warm summers and cool coastal breeze is great for Bordeaux varieties, Syrah and Chardonnay.*

~

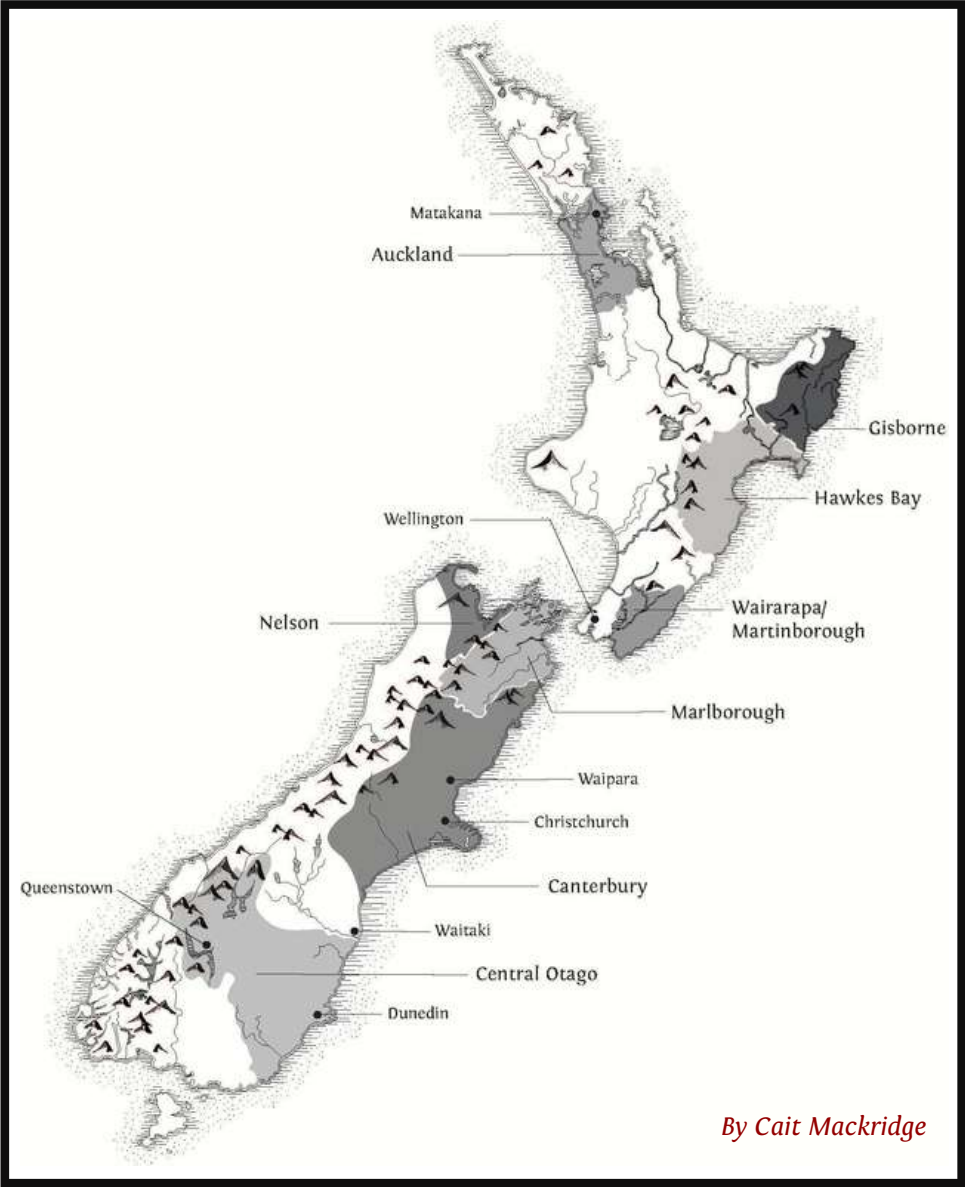

*Around Auckland and Waiheke Island the warmer coastal climate is great for fuller-bodied wines and Bordeaux styles.*

~

*For your enjoyment we showcase a range of wines of different styles from New Zealand and round the world to suit the wonderful menu our chefs have created.*

*We hope you enjoy your experience with us.*
